 - 1. Information on how to report sexual abuse and sexual harassment on behalf of an individual in custody (28 CFR 115.154).

Individuals in custody shall be notified of the department zero-tolerance policy regarding sexual abuse and sexual harassment, and of at least one way to report abuse or harassment to a public or private entity that is not part of the Department and that is able to receive and immediately forward a report of sexual abuse or sexual harassment to department supervisors and command staff. This allows the individual to remain anonymous (28 CFR 115.132; 28 CFR 115.151).

903.4.1 MEMBER RESPONSIBILITIES

Department members shall accept reports from individuals in custody and third parties, and shall promptly document all reports (28 CFR 115.151).

All members shall report immediately to the Duty Officer any knowledge, suspicion or information regarding:

- (b) Retaliation against the individual or the member who reports any such incident.
- (c) Any neglect or violation of responsibilities on the part of any department member that may have contributed to an incident or retaliation (28 CFR 115.161).

No member shall reveal any information related to a sexual abuse report to anyone other than to the extent necessary to make treatment and investigation decisions.

903.4.2 DUTY OFFICER RESPONSIBILITIES

The Duty Officer shall report to Elkton Police Department designated investigators all allegations of sexual abuse, harassment, retaliation, neglect or violations leading to sexual abuse, harassment or retaliation. This includes third-party and anonymous reports (28 CFR 115.161).

If the alleged victim is under the age of 18 or considered a dependent adult, the Duty Officer shall also report the allegation as required under mandatory reporting laws and department policy.

Upon receiving an allegation that an individual in custody was sexually abused while confined at another facility, the Duty Officer shall notify the head of that facility or the appropriate office of the agency where the alleged abuse occurred. The notification shall be made as soon as possible but no later than 72 hours after receiving the allegation. The Duty Officer shall document such notification (28 CFR 115.163).

If an alleged victim is transferred from the Department to a jail, prison or medical facility, the Duty Officer shall, as permitted by law, inform the receiving facility of the incident and the individual's potential need for medical or social services, unless the individual requests otherwise (28 CFR 115.165).

903.5 INVESTIGATIONS

The Department shall promptly, thoroughly and objectively investigate all allegations, including third-party and anonymous reports, of sexual abuse or sexual harassment. Only investigators who have received department-approved special training shall conduct sexual abuse investigations (28 CFR 115.171).

903.5.1 FIRST RESPONDER RESPONSIBILITIES

The responsibilities of the first officer to respond to a report of sexual abuse or sexual assault shall include, but not be limited to (28 CFR 115.164):

- (a) Separating the parties.
- (b) Establishing a crime scene to preserve and protect any evidence.
- (c) Identifying and securing witnesses until steps can be taken to collect any evidence.
- (d) Requesting that the alleged victim and suspect not take any actions that could destroy physical evidence, including, as appropriate, washing, brushing teeth, changing clothes, urinating, defecating, smoking, drinking or eating if the abuse occurred within a time period that still allows for the collection of physical evidence.

- (b) Interviewing alleged victims, suspects and witnesses.
- (c) Reviewing any prior complaints and reports of sexual abuse involving the suspect.
- (d) Conducting compelled interviews only after consulting with prosecutors as to whether compelled interviews may be an obstacle for subsequent criminal prosecution.
- (e) Assessing the credibility of the alleged victim, suspect or witness on an individual basis and not by the person's status as an individual in custody or a member of the Elkton Police Department.
- (f) Documenting in written reports a description of physical, testimonial, documentary and other evidence, the reasoning behind any credibility assessments, and investigative facts and findings.
- (g) Referring allegations of conduct that may be criminal to the State's Attorney for possible prosecution, including any time there is probable cause to believe an individual in custody sexually abused another individual in custody at the department facility (28 CFR 115.178).
- (h) Cooperating with outside investigators and remaining informed about the progress of any outside investigation.

903.6 SEXUAL ASSAULT AND SEXUAL ABUSE VICTIMS

No individual in custody who alleges sexual abuse shall be required to submit to a polygraph examination or other truth-telling device as a condition for proceeding with the investigation of such an allegation (28 CFR 115.171(e)).

Victims of sexual abuse shall receive timely, unimpeded access to emergency medical treatment. Treatment services shall be provided to the victim without financial cost and regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident (28 CFR 115.182).

903.6.1 CONCLUSIONS AND FINDINGS

All completed investigations shall be forwarded to the Chief of Police, or if the allegations may reasonably involve the Chief of Police, to the Town Administrator. The Chief of Police or Town Administrator shall review the investigation and determine whether any allegations of sexual abuse or sexual harassment have been substantiated by a preponderance of the evidence (28 CFR 115.172).

All department members shall be subject to disciplinary sanctions up to and including termination for violating this policy. Termination shall be the presumptive disciplinary sanction for members who have engaged in sexual abuse. All discipline shall be commensurate with the nature and circumstances of the acts committed, the member's disciplinary history and the sanctions imposed for comparable offenses by other members with similar histories (28 CFR 115.176).

All terminations for violations of this policy, or resignations by members who would have been terminated if not for their resignation, shall be criminally investigated unless the activity was clearly not criminal and reported to any relevant licensing body (28 CFR 115.176).

Any contractor who engages in sexual abuse shall be prohibited from contact with individuals in custody and reported to any relevant licensing bodies (28 CFR 115.177). The Chief of Police shall take appropriate remedial measures and consider whether to prohibit further contact with individuals in custody by a contractor.

903.7 RETALIATION PROHIBITED

All individuals in custody and department members who report sexual abuse or sexual harassment or who cooperate with sexual abuse or sexual harassment investigations shall be protected from retaliation (28 CFR 115.167). If any other person who cooperates with an investigation expresses a fear of retaliation, appropriate measures shall be taken to protect that person.

The Duty Officer or the authorized designee shall employ multiple protection measures, such as housing changes or transfers for victims or abusers, removal of alleged abusers from contact with victims, and emotional support services for individuals in custody or members who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.

A member of the Department shall be identified by the Duty Officer or the authorized designee to monitor the conduct and treatment of individuals in custody or members who have reported sexual abuse, and of those who were reported to have suffered sexual abuse. The member shall act promptly to remedy any such retaliation. In the case of individuals in custody, such monitoring shall also include periodic safety checks.

903.8 REVIEWS AND AUDITS

903.8.1 INCIDENT REVIEWS

An incident review shall be conducted at the conclusion of every sexual abuse investigation, unless the allegation has been determined to be unfounded. The review should occur within 30 days of

Elkton Police Department

the conclusion of the investigation. The review team shall include command staff and seek input from supervisors and investigators (28 CFR 115.186).

The review shall (28 CFR 115.186):

- (a) Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect or respond to sexual abuse.
- (b) Consider whether the incident or allegation was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender or intersex identification, status or perceived status; gang affiliation; or was motivated or otherwise caused by other group dynamics at the department facility.
- (c) Examine the area in the facility where the incident allegedly occurred to assess whether physical barriers in the area may enable abuse.
- (d) Assess the adequacy of staffing levels in that area during different shifts.
- (e) Assess whether monitoring technology should be deployed or augmented to supplement supervision by department members.

The review team shall prepare a report of its findings, including any determinations made pursuant to this section and any recommendations for improvement. The report shall be submitted to the Chief of Police and the PREA coordinator. The Chief of Police or the authorized designee shall implement the recommendations for improvement or shall document the reasons for not doing so (28 CFR 115.186).

903.8.2 DATA REVIEWS

The PREA coordinator shall conduct an annual review of collected and aggregated incident-based sexual abuse data. The review should include, as needed, data from incident-based documents, including reports, investigation files and sexual abuse incident reviews (28 CFR 115.187).

The purpose of these reviews is to assess and improve the effectiveness of sexual abuse prevention, detection and response policies, practices and training. An annual report shall be prepared that includes (28 CFR 115.188):

- (a) Identification of any potential problem areas.
- (b) Identification of any corrective actions taken.
- (c) Recommendations for any additional corrective actions.
- (d) A comparison of the current year's data and corrective actions with those from prior years.
- (e) An assessment of the progress in addressing sexual abuse.

The report shall be approved by the Chief of Police and made readily available to the public through the department website. Material may be redacted from the reports when publication

Prison Rape Elimination

would present a clear and specific threat to the safety and security of the facility. However, the nature of the redacted material shall be indicated.

All aggregated sexual abuse data from department facilities and private facilities with which it contracts shall be made readily available to the public at least annually. Before making aggregated sexual abuse data publicly available, all personal identifiers shall be removed (28 CFR 115.189).

903.9 RECORDS

The Elkton Police Department shall retain all written reports from administrative and criminal investigations pursuant to this policy for as long as the alleged abuser is in custody or is a member of the Department, plus five years (28 CFR 115.171).

All other data collected pursuant to this policy shall be securely retained for at least 10 years after the date of the initial collection unless federal, state or local law requires otherwise (28 CFR 115.189).

903.10 TRAINING

All department members and contractors who may have contact with individuals in custody shall receive department-approved training on the prevention and detection of sexual abuse and sexual harassment within the department facility.

- (a) The Support Services Commander shall be responsible for developing and administering this training as appropriate, covering at a minimum (28 CFR 115.131):
 - 1. The department zero-tolerance policy and the right of individuals in custody to be free from sexual abuse and sexual harassment, and from retaliation for reporting sexual abuse or harassment.

 - 3. The right of individuals in custody and department members to be free from sexual abuse and sexual harassment, and from retaliation for reporting sexual abuse or harassment.
 - 4. Detecting and responding to signs of threatened and actual abuse.
 - 5. Communicating effectively and professionally with all individuals in custody.
 - 6. Compliance with relevant laws related to mandatory reporting of sexual abuse to outside authorities.
- (b) Investigators assigned to sexual abuse investigations shall also receive training in conducting such investigations in confinement settings. Training should include (28 CFR 115.134):

3. Sexual abuse evidence collection in confinement settings.
4. Criteria and evidence required to substantiate a case for administrative action or prosecution referral.

The Support Services Commander shall maintain documentation that department members, contractors and investigators have completed required training and that they understand the training. This understanding shall be documented through individual signature or electronic verification.

All current department members who may have contact with individuals in custody shall be trained within one year of the effective date of the PREA standards. The Department shall provide annual refresher information to all such members to ensure that they understand the current sexual abuse and sexual harassment policies and procedures.
